Dear Defensive Driver Participant:

Thank you for taking one of the defensive driving courses offered in Delaware. As you may know, the course you have taken was not written or conducted by the Delaware Division of Motor Vehicles. The course is produced and conducted by one of several private businesses or groups.

The Chief of Fraud Investigation Unit approves courses after reviewing the course materials and applications. The approved courses provide for an insurance discount and "three point credit" purposes with the Division of Motor Vehicles (DMV).

This letter is being provided to you so that you can contact us with positive comments, complaints or questions about the course you have taken. Please do not hesitate to contact Kenneth Shock, PO Box 698, Dover, DE 19903. He may also be reached by phone at (302) 857-5727 or via email at DMV-DefensiveDriving@state.de.us.

If you have questions about the course certificate, please call the course provider. The Delaware Division of Motor Vehicles does not issue course certificates.

Again, we thank you for your efforts and hope that the class has prepared you to be a more knowledgeable and safe driver.

Very truly yours,

A handwritten signature in black ink, appearing to read "Ken Shock".
